The following notification of the Government of India declaring that certain lands required for the purpose of locating the Indian Institute of Science shall be deemed to be and to form part of the Civil and Military Station of Bangalore, is re-published for general information:—

#### FOREIGN DEPARTMENT.

#### NOTIFICATION.

Fort William, the 7th February 1908.

No. 595—I. A.—Whereas His Highness the Maharaja of Mysore has ceded to the British Government the exclusive management of, and full jurisdiction over, the lands specified in the annexed schedule, which are required for the purpose of locating the Indian Institute of Science.

In exercise of the powers conferred by the Indian (Foreign Jurisdiction) Order in Council, the Governor-General in Council is pleased to issue the following orders:—  
 I. From the date of this notification the land specified in the annexed schedule shall be deemed to be and to form part of the Civil and Military Station of Bangalore.  
 II. All laws for the time being in force in the Civil and Military Station of Bangalore shall be deemed to be in force in the aforesaid lands.

#### SCHEDULE REFERRED TO ABOVE.

The lands comprised within the boundaries defined below and forming part of the catchment area of Sankey's Reservoir, Bangalore.

The boundary line on the east commences from the point where the nalla to the north of the Sankey's Reservoir Pontoon shed joins the tank bed, and thereafter runs northward along the Sankey's Reservoir bed, crosses the road leading from the Butts to the Tumkur road, and joins the feeder channel of the Reservoir just above this road. This channel thereafter becomes the boundary along the remaining portion of the east, and along the north and west, till it meets the old Tumkur road running behind the Maharaja's Mills. The boundary to the south is the continuation of the road along Sankey's Reservoir to the junction of the present Tumkur road and from thence along the proposed road to meet the old Tumkur road.
